

Job Posting – Gowan Brae Golf Club

Position: Golf Course Equipment Mechanic

Term: Seasonal Full Time employment

Location: Bathurst, NB

Description: Our Golf Course mechanic will work under the supervisions of our course Superintendent and will perform maintenance on all golf course equipment. He will keep records of all maintenance work done throughout the season and order parts for the shop. Repair work will be done on golf course equipment, grass cutting units and small engines.

Skills required:

- Completion of college or technical training course
- 3-5 years' work experience
- Organized individual, who works well with other and is a good communicator.
- Golf course experience would be an asset but not required.
- Physically demanding work.
- Attention to detail is important.

Compensation: To be determined based on experience

Posting Date: June 5st, 2015

Closing Date: June 19th, 2015

How to apply: Please send resume to the Gowan Brae Golf Club at 150 Youghall Drive, Bathurst, NB E2A 4X5, by email to golfing@gowanbraegolf.nb.ca or drop your resume off in person to the administration office at the Gowan Brae. Attention: Adam Chamberlain
