The Monday and Tuesday Clinics will be 2 hours long for each group. Each group will have 10 junior golfers and 2 instructors. Each group will move around from the practice green, to the practice area beside hole #3 and the junior course. We ask that the junior golfers be dropped off no more than 15 minutes before the start of their clinic and be picked up after their clinic is finished to avoid groups gathering.

Wednesday Junior Tee Times: Every junior will be assigned a tee time on Wednesday to play the junior course. We will have instructors monitoring groups and we would encourage parents to volunteer to walk around with groups. With assigned tee times we can avoid large gathering of children and still learn and have fun!

We will provide hand sanitizer for all the junior golfers at the start of each clinic.
