## **Junior Golf Clinic Schedule 2022**

(June 27, 2022 – August 17, 2022)

<b>Monday</b>	8:30am to 10:30am 8-9 year old clinic 10:45am to 12:45pm 10-11 year old clinic <b>1:30-3:30pm Afternoon golf with coordinators *</b>
<b>Tuesday</b>	8:30am to 10:30am 11-12 year old clinic 10:45am to 12:45pm 13- 15 year old clinic <b>1:30-3:30pm Afternoon golf with coordinators*</b>
<b>Wednesday</b>	8:30am – 12:30pm -Junior course tee times

The **Monday and Tuesday Clinics** will be 2 hours long for each group. Each group will have around 25 junior golfers and there will be 4 instructors. Each group will move around from the practice green, to the practice area beside hole #3 and the junior course. We ask that the junior golfers be dropped off no more than 15 minutes before the start of their clinic and be picked up after their clinic unless they are playing that day.

PLEASE NOTE: We have 2 clinic options for the 11-year-olds. This is our biggest age group and we encourage siblings and friends who are travelling together to participate in the same clinic to avoid parents having to make multiple drives for clinics. Every junior golfer will be confirmed in only one clinic time.

Please talk with Chad, Andrew or Adam for more information regarding groups for your child.

**Wednesday Junior Tee Times:** Every junior will be assigned a tee time on Wednesday to play the junior course. We will have instructors monitoring groups and we would encourage parents to volunteer to walk around with groups as well. With assigned tee times we are able to learn the game as it's played on the main course and have fun while doing so!

\*Every Monday and Tuesday afternoon we have tee times with our junior golf coordinators. Each junior in the program will have at least one tee time with the coordinators during the program weeks. This schedule will be sent out the week before the program starts. \*
